About Us

Atlas Manufacturing - From Start to Finish

Complete contract manufacturing, specializing in precision, cosmetically finished sheet metal fabrication serving Original Equipment Manufacturers (OEMs) in key markets of telecommunications, retail, store fixtures, computers, electronic data racking and enclosures, industrial products, medical, and commercial applications.

Capabilities:

- Contract Manufacturing
- Precision Sheet Metal Fabrication
- Powder Coating and Liquid Paint Finishing, Screen Printing
- Engineering and Design
- Assembly and Logistic Support
- Machining

Our Mission:

While some companies just fabricate sheet metal, our mission is to produce customer satisfaction. Our knowledgeable, experienced team provides: On-time delivery of quality products and services ranging from design engineering to complete assemblies; growth and profitability for our customers, employees, company, and community. Every person and every detail is important in accomplishing our mission.

Our Value:

We believe in delivering the highest value possible to our customers. The tools we use to achieve this goal are integrity, teamwork, and communication combined with technical expertise. Employees are our most important asset.
